

## **Kennebunk - Kennebunkport - Arundel NEWCOMERS AND NEIGHBORS CLUB**

# **NEWSLETTER**

**October 2018**

### **Note from the President 9/14/18**

Our first meeting of the year held on 9/13/18 was well attended and included an extremely interesting and memory provoking look at 1968 by Cynthia Walker of the Brickstore Museum. This is part of an ongoing exhibit at the museum and is certainly worth taking in if you can. Take a look at the fall social in the newsletter for one opportunity to visit. We expect the speaker at our October meeting to be just as interesting as Dr. Evangeline Thibodeau discusses how to stay healthy while traveling. At the meeting the membership approved the by-law change that will allow members who move away to retain membership. We think this is an important step in helping people to maintain a support group of friends even if they have to leave our three towns for some reason. This may be applied retroactively for members who have recently moved away.

Speaking of membership, if you have not paid your dues yet for this year, Doug Fraser would like you to do so ASAP as the directory of members is being prepared for publication and is expected to be ready for distribution at the next meeting.

The new season is now in full swing. Please take a look at the activities available in the newsletter and get involved. Have some fun!

Lastly on a personal note, for those of you not at the meeting, I have lost my voice (hopefully temporarily!) due to some ongoing medical treatments so I have to thank Jeanne (the newcomers "First Lady") for running the meeting for me. She did an excellent job that may need continue for a while.
