

Co-Presidents' Message:

Dear Newcomers and Neighbors,

We are blessed to celebrate this month of love in a place that offers a rich blend of natural beauty, friendship, and community. If you are “Painting the town red”, enjoying the decorative displays in the Village and the Port, celebrating Valentine's Day, participating in acts of kindness, or enjoying chocolate, we hope you take time to express love and appreciation for the special people in your lives.

We support our friends that are new to the area and old friends that enjoy staying “in the know” about what our three towns-one community offers, Take a look at this:

Your special connection with N & N and your involvement in community is a gift. We hope you consider ways to refresh your connection, share new ideas, try something new. We look forward to reconvening in person in March.

Hugs and love to you all,

Joyce and Steve
