

**President's Message:**

Looks like an interesting meeting coming our way this November when we will have a visit from the folks at Community Gourmet. This organization does good work in our part of the state. They have a unique strategy that makes a difference, so be sure to attend. As always, I want to share a warm welcome to the new members and encourage them to join us at the meeting. Let's all be sure to extend a welcome to the newer members, reach out to each other to plan activities and always be ready to share our club activities with other people in the area. Stay warm!!

**November 7, 2024: EATIN' GOOD IN THE NEIGHBORHOOD!**

Community Gourmet is a grass-roots effort to address food insecurity in Southern Maine. Join us in the season of Thanksgiving to learn how the Community Gourmet prepares meal kits of food and recipes for people who utilize food pantries and teaches them how to use the vegetables and proteins available to create healthy and delicious foods. Their mission is "nourishing, teaching and caring." They have distributed over 4,000 kits and care packages since 2022!
